“NINJAL Research Papers” Manuscript Submission Cover Letter

Date of completion of this form: Year/Month/Day

Name of person completing this form:

1. Title of paper (both Japanese and English required)

	Title of paper (including subtitle, if used)
Japanese	
English	

2. Authors' names, affiliations, and titles (both Japanese and English required)

Enter the data in the order of authors to appear in the front matter of the manuscript.

【Japanese】

Name	Affiliation	Title/Post	※Please list any NINJAL-related posts not already listed on the left

※If the space provided is not sufficient, please add extra rows.

【English】

Name	Affiliation	Title/Post	※Please list any NINJAL-related posts not already listed on the left

※If the space provided is not sufficient, please add extra rows.

3. Eligibility of principal author (name on first line of Table 2 above)

- Please mark the corresponding item with a check mark.
- In the event of retirement or end of term of post, please indicate [the date up to which your employment/participation/residence] continued.
- The “Guidelines for Manuscript Submission for the Journal ‘NINJAL Research Papers’” stipulate that:
 - For Adjunct Researchers and Postdoctoral Research Fellows, submission should be made after consulting with the leader of the collaborative research project in which you are participating.
 - For Project Collaborators who submit, submissions should be made after consulting with the Leader (or Coordinator if you are the research representative of the project selected via open recruitment) of the project in which you are participating (including joint resource-use projects).
 - For Visiting Researchers who submit, submission should be made after consulting with your Host Academic.
 - For students in the Japanese Language Sciences Course at the Graduate University for Advanced Studies [SOKENDAI] submitting manuscripts, submissions should be made after consulting with your academic advisor.

For contributors to whom this applies, please indicate whether you have obtained permission from your Host Academic, the Leader of the project in which you are participating, etc.

Eligibility requirements for submission		Date retired or term of post ended (if applicable)

Project Name		
Name of Project Leader Coordinator (※if submitted by Leader selected via open recruitment)		
※ Submission has been completed after consultation with my Project Leader.		Yes/No
(i) Is the Principal Author a graduate student (excluding students in the Japanese Language Sciences Course at SOKENDAI)?		Yes/No
(ii) Is the Project Representative the Academic Advisor?		Yes/No
※ Please complete the section below if applicable.		
② Currently (or previously) a Project Collaborator participating in a Collaborative Research Project		Participating until month/year
Project Name		
Name of Project Leader		
※ Submission has been completed following consultation with my (Sub-)Project Leader		Yes/No
(i) Is the Principal Author a graduate student (excluding students in the Japanese Language Sciences Course at SOKENDAI)?		Yes/No
(ii) Is the Project Representative the Academic Advisor?		Yes/No

	Invited Scholar	Holding status until month/year.
	Visiting Researcher	Holding status until month/year.
	Name of research project during period of residence	
	Host Academic at NINJAL	
	※Submission has been completed after consultation with my Host Academic.	Yes/No
	Graduate Student, Graduate University for Advanced Studies [SOKENDAI] Japanese Language Sciences Course	Holding status until month/year.
	Academic advisor	
	※Submission has been completed after consultation with my academic advisor.	Yes/No
	Professor Emeritus	
	Other	

※For information on Collaborative Research Projects, please refer to <https://www.ninjal.ac.jp/research/cr-project/>.

※If you are currently (or were previously) involved in more than one Project, prioritize the Project most closely related to the submitted manuscript (in terms of content or research results) as entry ① above. If necessary, also complete entry ②.

※If you are participating in a sub-project of a collaborative research project (and submitting part of the content or results of that sub-project), please enter the names of the sub-project and its representative. The approval of the Sub-Project Representative is mandatory for submissions, but that of the Project Representative is optional. If necessary, please also enter the names of the project and its representative in the same field.

4. If submitting a manuscript as the contents or research results of a Collaborative Research Project

- If submitting a manuscript as the content or research results of a Collaborative Research Project (acknowledgements and citations required), indicate which Project's content or research results are being represented in the manuscript.
- However, if this information is already entered in section 3 above, it is not necessary to complete the table below.

Project Name	
Name of Project Leader	

※If the space provided is not sufficient, please add extra rows.

5. Presentations related to the contents of the submitted manuscript

Please check the applicable item and enter the corresponding information.

	NINJAL Salon
	Collaborative Project Research Meeting
	Meeting of the academic society or research group (in detail)
	Other (in detail)
Date of presentation	
Title of presentation	
Name of presenter	

※If the space provided is not sufficient, please add extra rows.

6. Manuscript size, operating system used in creation, etc.

Please enter the manuscript length and mark the corresponding item with a check mark.

Size of the manuscript	pages (including tables, figures, references, and abstract, etc.)		
Language used (body of the text)	☐ Japanese	☐	☐ English
Operating system used in creation	☐ Mac OS	☐	☐ Windows
Software used in creation	☐ Microsoft Word	☐	☐ Other (in detail):

7. Manuscript Format

Before submission, please review the manuscript and check either “Applicable/Implemented” or “Not Applicable” for each item. Please note that you cannot place a check mark in fields that contain a diagonal line.

	Applicable/Implemented	
	Not Applicable	
1	☐	☐ If submitting a printed version: Three copies are provided.
	☐	☐ If submitting by email: Both a Word file and a PDF file are included.
	☐	☐ If unable to submit by email (both Word and PDF): I have consulted with the Editorial Board beforehand and have followed their instructions.
2	☐	☒ The names and affiliations of all authors have been included in both languages in the manuscript.
3	☐	☒ An abstract has been included in both languages (for manuscripts in Japanese and for those in English).
4	☐	☒ Keywords have been included in both languages (for manuscripts in Japanese and for those in English).
5	☐	☐ If the manuscript is based on a presentation made in the past by the author(s): That fact is made clear in the manuscript. [cf. “5. Presentations related to the contents of the submitted manuscript”]
6	☐	☐ If the manuscript corresponds to any of the following: That fact is made clear in the manuscript. Published in proceedings, in a KAKENHI research report, as part of an unpublished master’s thesis or doctoral dissertation, or as a preprint
7	☐	☐ If the manuscript represents the content or research results of a Collaborative Research Project: That fact is made clear in the manuscript. [cf. Project Collaborator, or “4. If submitting a manuscript as the contents or research results of a Collaborative Research Project”]
8	☐	☐ If the manuscript represents the content or research results related to the research topic addressed during the author’s residence as a Visiting Researcher at NINJAL: That fact is made clear in the manuscript.
9	☐	☒ In cases where the manuscript was written in a language other than the author’s native language, and with regard to any abstract written in a non-native language, the author has confirmed, on their own responsibility, that the text meets the standards expected of an academic paper in that language.
10	☐	☒ By submitting a manuscript, the author agrees to the following: NINJAL shall a) reproduce the papers and relevant data and store them on the server hosting the Repository; b) make the copied materials freely available to any number of unspecified persons via the network; c) make copies and perform media conversion as necessary for use and storage; and d) permit all third parties to freely use the abstracts (e.g., reproduction, translation, and redistribution) through collaboration between the Repository and the Japan Link Center.

11		If any of the following applies, the author is responsible for submitting the manuscript to the “NINJAL Research Papers” and for obtaining permission regarding items (a) through (d) above 10. • In cases where the author does not hold the copyright to the manuscript, such as when the copyright has been transferred to an academic society or similar organization • In cases where, at the request of an academic society or similar organization, the author has granted that organization exclusive permission to exercise the rights of reproduction and public transmission of the manuscript. [※If the author holds the copyright to the manuscript (excluding cases where the author has granted another party exclusive rights to reproduce or publicly transmit it), please mark “Not applicable.”]			
12		If any of the following actions were necessary, they were carried out under the author’s responsibility. • Handling copyright issues related to the reproduction of illustration, etc. published in other works • Obtaining permission from relevant parties regarding the use and publication of data [※ If there are no applicable figures, data, etc., please mark “Not applicable.”]			
13		Color has been used in the main text and in the figures, images, graphs, etc., within the manuscript. [※When using color, please create designs that accommodate color vision diversity.]			
14		The Creative Commons (※) license for this paper is specified as follows. License (Please fill in):			
If you are submitting the data used or described in the manuscript together with the manuscript as relevant data, please also provide the following information. [The file name of the related data may be changed to a uniform name at the Editorial Board’s discretion at the time of repository registration.]					
15		An outline of relevant data has been included in both languages (Japanese and English).			
16		file format	number of files	file size	Creative Commons license※
		text file			
		Microsoft Excel file (without macros)			
		PDF file			

※For details of the Commos licenses, see “5. Licenses for papers and relevant data” in the “Appendix” of the “Guidelines for Manuscript Submission” for the Journal “NINJAL Research Papers”.

8. Author’s contact information

For co-authored submissions, the editorial board will contact the person listed below. Please enter the contact information of **one** representative. It may be a person other than the Principal Author.

Name			
Email			
If contact is within NINJAL	Research Division/Center	Room no.	Tel. ext.

※Please enter an email address you use regularly. If you have entered your NINJAL email address, please monitor the inbox periodically for communication from the editorial committee.

※Use of the information in this form will be handled according to NINJAL’s “Policy for the protection of personal information.”
